

LANDMARK PRESERVATION COMMISSION REGULAR SCHEDULED MEETING

MONDAY, JULY 1, 2019 - 7:00 p.m.

WINNETKA VILLAGE HALL COUNCIL CHAMBERS – 510 GREEN BAY ROAD

AGENDA

1. Call to Order.
2. Public Comment.
3. Approval of June 3, 2019 meeting minutes.
4. **Case No. 19-12: 477 Hawthorn Lane** - Preliminary Review of the application for demolition of the single family residence at 477 Hawthorn Lane.
5. **Case No. 19-13: 892 Oak Street** - Preliminary Review of the application for demolition of the single family residence at 892 Oak Street.
6. **Case No. 19-14: 500 Hawthorn Lane** - Preliminary Review of the application for demolition of the single family residence at 500 Hawthorn Lane.
7. **Case No. 19-15: 315 Fairview Avenue** - Preliminary Review of the application for demolition of the single family residence at 315 Fairview Avenue.
8. Review of 2019 Preservation Award nominations.
9. **Historic Preservation & the Comprehensive Plan** – The Landmark Preservation Commission will continue to discuss its ideas to encourage preservation of historic and architecturally significant buildings and how to incorporate those ideas into a new comprehensive plan.
10. Old Business.
11. New Business.
12. Adjournment.

Note: Public comment is permitted on all agenda items.

NOTICE

All agenda materials are available at villageofwinnetka.org (Government > Boards & Commission > Agenda Packets).

The Village of Winnetka, in compliance with the Americans with Disabilities Act, requests that all persons with disabilities, who require certain accommodations to allow them to observe and/or participate in this meeting or have questions about the accessibility of the meeting or facilities contact the Village ADA Coordinator at 510 Green Bay Road, Winnetka, Illinois 60093, (Telephone (847) 716-3543; T.D.D. (847) 501-6041).

LANDMARK PRESERVATION COMMISSION
JUNE 3, 2019 MEETING MINUTES

Members Present: Louise Holland, Chairperson
Chris Enck
Laura Good
Beth Ann Papoutsis

Non-Voting Member Present: Jack Coladarci

Members Absent: Katie Comstock
Joseph Stewart
Paul Weaver

Village Staff: David Schoon, Director of Community Development
Ann Klaassen, Senior Planner
Christopher Marx, Associate Planner

Call to Order:

Chairperson Holland called the meeting to order at 7:23 p.m.

Public Comment

Chairperson Holland asked if there was any public comment for items not on the agenda. No comment was made at this time.

Approval of Meeting Minutes

Chairperson Holland asked for a motion to adopt the May 6, 2019 meeting minutes. A motion was made by Mr. Enck and seconded by Ms. Good. A vote was taken and the motion unanimously passed.

Case No. 19-10: 727 Ardsley Road - Preliminary review of the application for demolition of the single family residence at 727 Ardsley Road.

Tony Meyers introduced himself as the general contractor for the project. Chairperson Holland stated the home is not very old and Mr. Meyers agreed. Chairperson Holland then asked who the owner is. Mr. Meyers responded he is not the owner, he is representing the owner. Ms. Papoutsis asked what style of home did he intend to put in its place. Mr. Meyers stated it would be more of a modern farmhouse with cedar-shake siding. Ms. Papoutsis asked if it would have a deep basement. Mr. Meyers responded it would not be super deep and there would be no sport court. Mr. Enck asked what is the number of square feet of the new home compared to the old home. Mr. Meyers indicated it would be about the same and the new home would measure approximately 5,000 square feet. He also stated the current home dates to 1975 and needs to be updated.

Chairperson Holland noted Mr. Squires was the president of Wilmette for many years. Mr. Meyers informed the Commission the new owners purchased the property in February. Mr. Enck asked if the home was listed on the market and Mr. Meyers responded it may have been.

Chairperson Holland asked if there were any other questions. No additional questions were raised at this time. She then asked for a motion. A motion was made by Ms. Papoutsis to approve the demolition

1 request for 727 Ardsley. Mr. Enck seconded the motion. A vote was taken and the motion was
2 unanimously passed.
3

4 AYES: Enck, Good, Holland, Papoutsis

5 NAYES: None

6 NON-VOTING: Coladarci
7

8 **Case No. 19-11: 779 Bryant Avenue - Review of the application for local landmark designation.**

9 Chairperson Holland noted Joan Evanich is present and stated the Fisher home was the first landmark
10 designated a couple months ago since 2012 and they have not had one since 2012. She then stated the
11 Commission would go through the items and asked what was done to the home. Ms. Evanich informed
12 the Commission she has blueprints which are in the application as well. Chairperson Holland stated the
13 home has not changed on the outside. Ms. Evanich agreed with the exception of the rear addition. She
14 informed the Commission they purchased the home in 1993 which was in terrible shape. Ms. Evanich
15 stated they underwent a huge renovation and restoration and corrected windows which were put into
16 the sunroom on both levels.
17

18 Ms. Evanich then stated there was a huge fire at the end of the initial restoration and they rebuilt the
19 home exactly in the same way. She also stated instead of changing the inside, it was restored to its exact
20 original condition which evidenced how committed they are. Ms. Evanich then stated in 2012,
21 an addition was added to the building on the back which cannot be seen from the street. She noted they
22 used Behles and Behles as the architect and the sunroom as a model to do the rear addition including
23 the windows. Chairperson Holland commented the addition is very beautiful.
24

25 Chairperson Holland then stated the Commission would go through the review on page 3 of the
26 materials. She read the criteria to consider when evaluating a potential landmark as follows: "The
27 structure, building, object or site has significant character, interest or value as part of the historic,
28 cultural or architectural characteristics of the Village, the State or the United States." Chairperson
29 Holland then stated they did not need to go through all of the considerations and noted Howard Van
30 Doren Shaw is an architect of great note nationally and on the North Shore. She commented they are
31 lucky to still have the home in such perfect condition. Ms. Evanich stated there are two or three of them
32 left in the Village, one of which is on Green Bay Road and the Sibley home which is owned by Christ
33 Church. Chairperson Holland stated the home on Trapp Lane had a lot of renovation and while it is
34 a Winnetka landmark, it is not as unique as Ms. Evanich's home.
35

36 Chairperson Holland read the following criteria in the Architectural Significance category as follows:
37 "The structure, building, object or site represents certain distinguishing characteristics of architecture
38 inherently valuable for the study of a time period, type of property, method of construction or use of
39 indigenous materials...The structure, building, object or site is one of a few remaining examples of a
40 particular architectural style. The structure, building, object or site is, or is part of, a contiguous grouping
41 that has a sense of cohesiveness expressed through a similarity of style characteristics, time period, type
42 of property, method of construction or use of indigenous materials and accents the architectural
43 significance of the area."
44

45 Chairperson Holland stated with regard to the Historical Significance category, she read the following
46 criteria for consideration: "The structure, building, object, or site is an exceptional example or an historic
47 or vernacular style, or is one of the few such remaining properties in the Village. The structure, building,

1 object or site has a strong association with the life or activities of a person, persons, organization or
2 group who significantly contributed to or participated in historic or cultural events."
3

4 Chairperson Holland stated the Commission would now go to the findings and evaluation. She then
5 referred to the System for the Evaluation of Landmarks, Tier 1, Rarity: Architectural Type, Style and
6 Period and asked for the Commission Members' comments. The Commission stated the home is
7 extremely rare since the Village did not have that many Howard Van Doren Shaw homes. Chairperson
8 Holland then referred to Rarity: Method of Construction and its Application. Mr. Coladarci commented a
9 stucco home is relatively common in the Village. Ms. Evanich mentioned the basement portion was one
10 of the first poured concrete foundations that existed. Ms. Papoutsis asked if it would be necessary to
11 consider it relevant to the time period it was constructed. Chairperson Holland noted the home was
12 constructed in 1910 and referred to the building permit issued in 1921. Ms. Evanich informed the
13 Commission that was for the second owners, the Cushmans. She also stated Albert Kale was cited in the
14 application and she has drawings. Ms. Evanich added the Lake Shore Country Club was built in the same
15 year in 1908. Chairperson Holland stated the home would be rated rare.
16

17 Chairperson Holland stated with regard to Association with Historical Event, Person or Cultural Activity,
18 Howard Van Doren Shaw is a nationally recognized architect. She then stated with regard to Association
19 with an Architect or Master Builder, the home fell in the national category. Chairperson Holland stated
20 with regard to the Established or Familiar Visual Feature category, she referred to the home being
21 a symbol of the neighborhood in the context of the entire Village. The Commission voted the home is a
22 conspicuous and familiar structure in the context of a neighborhood with a rating of 3.
23

24 Chairperson Holland asked for a total. Ms. Klaassen asked the Commission to confirm the numbers.
25 Chairperson Holland stated the first Rarity category rated 5, the second Rarity category with regard to
26 Method of Construction rated 4, the Association with Historical Event, Person or Cultural Activity
27 rated 5, Association with an Architect or Master Builder rated 5 and Established or Familiar Visual
28 Feature rated 3. Ms. Klaassen stated the Commission is to give one category a heavier weight and to
29 pick one from the three with the highest score. The Commission decided the Architect category
30 deserved a weight of 10. Ms. Klaassen confirmed the score is 67 for Tier 1.
31

32 Chairperson Holland then stated with regard to Tier 2, she referred to the Alteration of (Originality)
33 Design Integrity category. Mr. Enck stated integrity was maintained even with the rebuilding.
34 Chairperson Holland described it as excellent with a rating of 5. She then stated the age of the structure
35 is 1900-1930 which rated 3. Chairperson Holland then stated with regard to the next category of
36 Alteration of Surrounding Properties (View from Property); it is original since there was nothing else
37 there in 1908. Ms. Evanich noted on their side of the street, there were only two homes and Christ
38 Church. Chairperson Holland stated the view from the property was the original view when it was built
39 which rated 5.
40

41 Chairperson Holland stated the next category is Alteration of Original Site (View of Property). She stated
42 while the home had changes to the back, they were minor alterations. Chairperson Holland then stated
43 the next category of Structural Condition rated exceptional at 5. Ms. Klaassen asked for confirmation for
44 the View from Property category. Chairperson Holland confirmed the view from property is minor with a
45 rating of 3 and the Alteration of Original Site is minor alterations at 3.
46

47 Chairperson Holland stated there is a score of 98 for Tier 2 divided by 5 is 19.6. She then stated the Tier
48 1 score of 67 plus 19.6 for Tier 2 represented a total of 86.6 which falls into the unique category and

1 which is the highest category for a Winnetka landmark. She then congratulated the applicants and
2 thanked Ms. Evanich for submitting their home for landmarking which must be approved by the Village
3 Council. Mr. Schoon indicated it may be done at the first meeting in July and they will be notified.
4

5 **Case No. 19-05: 949 Fisher Lane - Advisory review of the alterations to 949 Fisher Lane,**
6 **previously recommended by the Landmark Preservation Commission for local landmark designation.**

7 Jeff Watts introduced himself as the property owner and informed the Commission his wife wrote the
8 submission. Chairperson Holland stated 949 Fisher Lane is already designated a Village landmark. Ms.
9 Klaassen confirmed it has not officially been designated by the Village Council. Chairperson Holland then
10 stated it will be sent on to the Village Council the first week of July. She noted it had a 89.8 total score
11 which is unique and the applicant is requesting some alterations to the landmark and asked the
12 applicant to explain them.
13

14 Mr. Watts stated in the materials, the railings are shown in the photos which are structurally unsound
15 and let in water. He stated they were taken down and are being repaired. Chairperson Holland asked if
16 they would be painted the original color and Mr. Watts confirmed that is correct and noted the
17 railings there were already painted. Chairperson Holland then referred to the window painting and door
18 trim as another alteration and if there would be black paint on the windows which is now brown. Mr.
19 Watts stated that is not correct and the alteration is for maintenance to match the brown color of a chip
20 that fell off. He noted they would be keeping the brown color and the windows would be gloss black on
21 the faded and cracked panes which would be glazed and repainted.
22

23 Chairperson Holland asked if the last alteration is the mortar on the brick and parapet. Mr. Watts
24 confirmed 80% would be on the parapet. He then stated the challenge with a brick home which is 95
25 years old is that the mortar is all different colors and they went with the one closest in color. Mr. Watts
26 then stated as you can see from the photos, it was not optional and the parapets were falling down.
27

28 Chairperson Holland then stated under the Commission's review on page 3 of the materials, they did not
29 have to go through all of the General Standards and asked if there were any questions. She stated all of
30 the standards have been met. Mr. Enck asked if they were able to find brick to match the parapet. Mr.
31 Watts responded they reused existing brick out of 50 which were left in the basement. He also stated
32 the irregularity in the brick was easy to match.
33

34 Chairperson Holland stated with regard to the Design Guidelines, they have not changed any roof shape,
35 scale or expressional architecture details. She stated for the Findings, the Commission is to determine
36 whether the proposed alterations are appropriate or not to the preservation of the subject property and
37 in considering the alterations, does the Commission find that the subject property continues to meet the
38 criteria for designation as a locally designated landmark. The Commission Members all agreed that the
39 proposed alterations are appropriate and that the subject property continues to meet the criteria for
40 designation as a locally designated landmark. Chairperson Holland stated the findings would be attached
41 to the landmark designation and will be finalized by the Village Council in July. She then thanked the
42 applicants for restoring the wonderful home.
43

44 **Review of 2019 Preservation Award Nominations**

45 Chairperson Holland stated there were four nominations and there would be one nomination from the
46 Hadley Institute which cannot sign off on it as the property owner and only the management committee
47 can. She noted that meeting is on Wednesday and the nomination would be brought to the Village Hall
48 then. Chairperson Holland then referred to 514 Willow and urged the Commission Members who cannot

1 view them together due to the Open Meetings Act to drive by and look at them. Mr. Marx stated he will
2 inform the property owners and send them an email that the Commission Members may be observing
3 their home.
4

5 Chairperson Holland noted 514 Willow included interior shots of the home which are not in
6 the Commission's purview. She also referred to 250 Poplar Street. Chairperson Holland then stated the
7 third application is from Brian and Margaret Higgins for landscape rehabilitation at 510 Sheridan. She
8 stated the garden was so badly neglected and there were a lot of owners over the years. Chairperson
9 Holland stated when the Higgins moved in, they did a wonderful job of restoring and creating an
10 addition to the home and they put in a vegetable garden on Sheridan Road. She noted there was no
11 prohibition with regard to submitting gardens. Chairperson Holland then stated the last application is
12 for new construction by the architect, Edward Deegan. Ms. Klaassen confirmed it is new construction
13 and the homeowner submitted the nomination. Mr. Enck asked if it was a teardown and Ms. Klaassen
14 confirmed that is correct. She added it came before the Commission.
15

16 Chairperson Holland then stated with regard to the Hadley Institute which is a public building at 700
17 Elm, they added second floor additions in two areas and they worked hard to match the brick. She also
18 stated they took down an area in the back and used that brick. Chairperson Holland then referred to the
19 windows on the front of the existing building and there are six windows of the braille alphabet
20 enhanced by the contractor and architect. She commented they did a great job and the Commission
21 Members should go inside. Chairperson Holland described it as a beautiful restoration of the structure
22 and it allows Hadley to reach 300,000 learners worldwide. She also stated Hadley gutted the building
23 inside which allowed incredible new mechanics to allow them to reach more people. Chairperson
24 Holland stated Hadley also made inroads with hospitals and ophthalmologists and with the aging
25 population; efforts were made for macular degeneration and others who are visually impaired. She also
26 stated the lower level has reality walls which show how to help visually impaired people in crossing the
27 street on Green Bay Road near the train station and the computer can designate any intersection to
28 navigate.
29

30 **Old Business**

31 Chairperson Holland stated Nan Greenough, Sierra Erazo and Ann Erickson worked hard to get the
32 brochure done for the trolley tour and described it as a remarkable upgrade from past copies. She then
33 stated the trolley tours were very successful and were all filled. Chairperson Holland then stated next
34 year, there would be two tours instead of four. She also stated it was wonderful to distribute brochures
35 of this quality and that people enjoyed seeing Winnetka in addition to landmarks.
36

37 **New Business**

38 Chairperson Holland informed the Commission that caucus questionnaires went out today which
39 contained three questions relating to historic preservation. She stated one question was whether they
40 would approve a statement that historic homes should be preserved in the Village and whether you
41 strongly agree, agree or disagree. She stated the question was whether the Village should encourage the
42 preservation of historic homes and how strongly did you agree with the statement. Chairperson Holland
43 also stated the exact wording was not that the Village should lower the cost of permits for the
44 rehabilitation of historic homes. She then stated the last question was how strongly do you agree with
45 the following statement: should the Village extend the time period for the demolition of historic homes
46 from 60 days to one year which was pulled back to 120 days. She informed the Commission when she
47 meets with President Rintz; they hoped to have the results of the survey of which he is very much in
48 favor in terms of looking at a variety of issues to be changed, along with having more teeth in the

1 ordinance. Chairperson Holland then stated she wished the caucus committee would have contacted
2 the Commission first and the legality question was raised.

3
4 **Discussion of Historic Preservation Incentives**

5 Mr. Enck stated with regard to a specific timeline for extending a delay, he asked does that limit
6 the discussion with the Village Council and Chairperson Holland responded it did not. She noted
7 Glencoe and Highland Park have a one year delay. She then stated Ms. Papoutsis has the matrix to
8 present to President Rintz.

9
10 Ms. Papoutsis informed the Commission once her computer issues have been resolved, she can email it
11 to Ms. Klaassen. Ms. Klaassen confirmed that is fine. Ms. Papoutsis noted they researched 11
12 communities in the matrix. Chairperson Holland stated it showed what their preservation laws do. Ms.
13 Papoutsis also stated she has recommendations the Commission came up with in a draft to email to Ms.
14 Klaassen which she would distribute to the Commission. Mr. Coladarci stated they have always had 60
15 days for a delay since 1987 and asked what other communities do. Chairperson Holland referred to the
16 one year delay since the inception of the ordinance and noted Lake Forest has a two year delay but they
17 also have a residential design review committee which can put pressure on people to adhere to the
18 residential design committee. She added Wilmette has no delay and commented a 60 day delay goes
19 quickly. Chairperson Holland stated the Commission felt they had to enhance it to one year to be within
20 that of their neighbors but the caucus toned it down to 120 days. She added it is not the caucus
21 platform yet but just a question for now which can be debated and changed on the caucus platform.

22
23 Mr. Enck stated in future discussions, he referred to the Frank Lloyd Wright home in Glencoe which was
24 in danger and under the delay, there was a meeting required between the owners and representatives
25 from the Landmark Commission and the Village's Planning Department. He stated it was to discuss what
26 options there are and in Winnetka, it is just a ticking clock. Mr. Enck commented it would be nice for
27 them to have the ability to have a discussion. Chairperson Holland stated they have had one success
28 with a home on Westmoor where there was a demolition request for a home in good shape and
29 the Commission spoke strongly to the owners to think about it. She stated the application was
30 withdrawn and the home was sold to a family. Chairperson Holland also stated they were able to save
31 the façade of 1175 Whitebridge Hill.

32
33 Mr. Enck also asked if Glencoe had the requirement of the demolition permit not being released until
34 plans are approved for new construction. Ms. Klaassen responded vacant lots are allowed in Winnetka
35 but there would have to be a site restoration plan approved in substitute of a building permit for a new
36 residence. Mr. Enck referred to the Edwin Clark home being a flag home. Ms. Klaassen responded it was
37 torn down with the coach house maintained as the principal structure. She then stated they restored
38 and sodded the area where the main home was located.

39
40 Ms. Papoutsis referred to Glencoe and questioned whether they can add that to the recommendations.
41 Ms. Klaassen stated they do have the authority to request a conference with the owner during the delay
42 period and it has been exercised at times. Chairperson Holland referred to the 560 Oak request by the
43 neighbors to buy a home from Mr. Birov and he did not lower the price. Ms. Klaassen confirmed the
44 Commission can request to meet with an owner and it would have to be a public meeting to discuss
45 recommendations or alternatives to total demolition. Mr. Enck stated they should consider that for the
46 future during the delay period.

47

1 Chairperson Holland also stated because the tide is turning to try to hold on to the old ambiance of
2 older homes, people are confused about what the ordinance does. She stated in granting a landmark
3 ordinance, people think it saves a home but it does not. Chairperson Holland suggested they provide a
4 statement of what the ordinance does and what honorific awards do which did not save a home at all.
5 She noted only if one is a national landmark and they have two which are Crow Island School and
6 the Lloyd home. Chairperson Holland then stated she would ask Susan Benjamin or another
7 architectural historian to prepare something like that and it is the Commission's job to educate people
8 so they know what they can and cannot do.
9

10 Mr. Coladarci asked if Mr. Enck's home is a landmark. Mr. Enck confirmed that is correct and
11 they bought it from the original family and they put on preservation easements. He informed the
12 Commission the previous owners said there could have been three homes so they put easements on the
13 home so that it is not torn down.
14

15 Mr. Coladarci suggested part of the explanation should be easement and landmark designation
16 differences. Chairperson Holland asked how many easements are there and Ms. Klaassen responded
17 there are very few that the Village has record of. Chairperson Holland noted 151 Sheridan Road has an
18 easement and is not a local landmark.
19

20 Chairperson Holland then welcomed the addition of Mr. Coladarci to the Commission who is the new
21 liaison from Village Council. Mr. Coladarci informed the Commission that Bob Dearborn was extremely
22 complimentary of the Commission.
23

24 Mr. Schoon pointed out at the last meeting; they were asked for information with regard to building
25 permit fees and asked if the Commission needed additional information. Chairperson Holland thanked
26 Mr. Marx for the information and described it as a little premature. She stated she can discuss it
27 with President Rintz when she meets with him on their concerns with regard to perhaps having a
28 different fee structure for historic home remodeling and the legality of doing it. Chairperson Holland
29 also stated it can be combined with lowering the FAR which was tweaked a number of times already.
30 Mr. Enck asked with regard to the demolition permit fee, if that went to the general fund and Mr.
31 Schoon confirmed that is correct. Chairperson Holland stated it would have to be carefully timed by the
32 Village staff and referred to when the demolition fee was raised.
33

34 ADJOURNMENT

35 The meeting adjourned at 8:26 p.m.
36

37 Respectfully submitted,
38

39 Antionette Johnson

41

MEMORANDUM VILLAGE OF WINNETKA

COMMUNITY DEVELOPMENT DEPARTMENT

TO: LANDMARK PRESERVATION COMMISSION
FROM: CHRISTOPHER, MARX, AICP, ASSOCIATE PLANNER
DATE: JUNE 26, 2019
SUBJECT: CASE NO. 19-12-LPC: 477 HAWTHORN LANE

INTRODUCTION

On July 1, 2019, the Landmark Preservation Commission (LPC) is scheduled to consider a request from Thomas Corbett (the "Applicant") to demolish the existing single-family residence on the property at 477 Hawthorn Lane (the "Subject Property"). The Applicant is representing 477 Hawthorn, LLC, the "Owner" of the Subject Property.

A mailed notice has been sent to property owners within 250 feet in compliance with Section 15.52 of the Village Code. As of the date of this memo, staff has not received any written comments from the public regarding this application.

PROPERTY DESCRIPTION

The Subject Property, which is approximately 0.19 acres in size, is located on the north side of Hawthorn Lane between Myrtle Street and Fairview Avenue, and it contains a single-family residence with a detached accessory structure. The property is zoned R-5 Single-Family Residential, and it is surrounded by R-5 Single-Family Residential.

PROPERTY HISTORY

As represented on the attached preliminary property history study (Attachment B), the original date of construction was in 1951. The architect of record is Edward R. Humrich, who designed the home for Dr. and Mrs. Edward Berkenstadt. Subsequent building permits were issued for a single-room addition in 1958, a home remodel in 1961, and a second floor addition in 1975. The structure is not a national, state, or locally designated landmark. The Winnetka Historical Society (WHS) has indicated that while the structure was designed by noted architect Edward Humrich, it has been significantly altered since its original construction and does not have architectural or historical significance. The WHS's research and comments are included in this report as Attachment C.

NEIGHBORHOOD CONSTRUCTION ACTIVITY

The Director of Community Development may delay the issuance of a demolition permit for up to 60 days if one or more building or demolition permits for primary structures have been approved for properties, for which work is continuing, on either side of the right-of-way block face and/or alley along which the property is located, or if the Director determines that a delay is necessary to prevent undue congestion and noise impacts in the neighborhood. While there are no approved building or demolition permits for new primary structures on the block, there have been demolition applications submitted for two other properties within close proximity to the Subject Property. The Director will determine if a

delay is necessary upon the approval of any building permit for new construction or site restoration in the neighborhood.

COMMISSION REVIEW

In accordance with Section 15.52.040 of the Village Code, the Commission is required to determine whether the building and/or property is of sufficient historic or architectural merit to warrant conducting a Historical Architectural Impact Study (HAIS) prior to issuance of the demolition permit. Upon completing the preliminary historic and architectural review, the LPC shall enter preliminary findings on the issue of whether the demolition permit application affects a building or property that has sufficient architectural or historic merit to warrant conducting a full HAIS prior to issuance of the demolition permit. In making its determination, the LPC shall consider the following:

1. The preliminary property history study (information on the original building, date of construction, name of property, architect and owner, current photographs of the property, list of work on the property for which the Village has issued a permit) (Attachment B);
2. Comments of the Winnetka Historical Society (Attachments B and C);
3. Any other information, comment or evidence received by the LPC at the preliminary review meeting.

If the LPC finds that the HAIS is warranted, it shall so notify the Director of Community Development and shall order the applicant to conduct such study.

If the LPC finds that an HAIS is not warranted, it shall notify the Director of Community Development that it finds no historic or architectural grounds for delaying the demolition. The preliminary determination of the LPC shall be supported by findings of fact based on the record. The findings of fact shall include statements as to whether or not the building or property has architectural merit, historical significance, both, or neither.

The LPC shall require an HAIS for any demolition permit application that meets any of the following criteria:

1. The property or structures have been designated a landmark pursuant to Chapter 15.64 of the Village Code;
2. The property or structures have been included in the most recent Illinois Historic Structure Survey conducted under the auspices of the Illinois Department of Conservation;
3. The property or structures have been listed on the National Register of Historic Places or the Illinois Register of Historic places; and
4. The property or structures have sufficient architectural or historical merit to warrant a full HAIS prior to issuance of a demolition permit.

MEMORANDUM VILLAGE OF WINNETKA

COMMUNITY DEVELOPMENT DEPARTMENT

TO: WINNETKA HISTORICAL SOCIETY
FROM: CHRISTOPHER MARX, AICP, ASSOCIATE PLANNER
DATE: JUNE 11, 2019
SUBJECT: CASE NO. 19-12: 477 HAWTHORN LANE

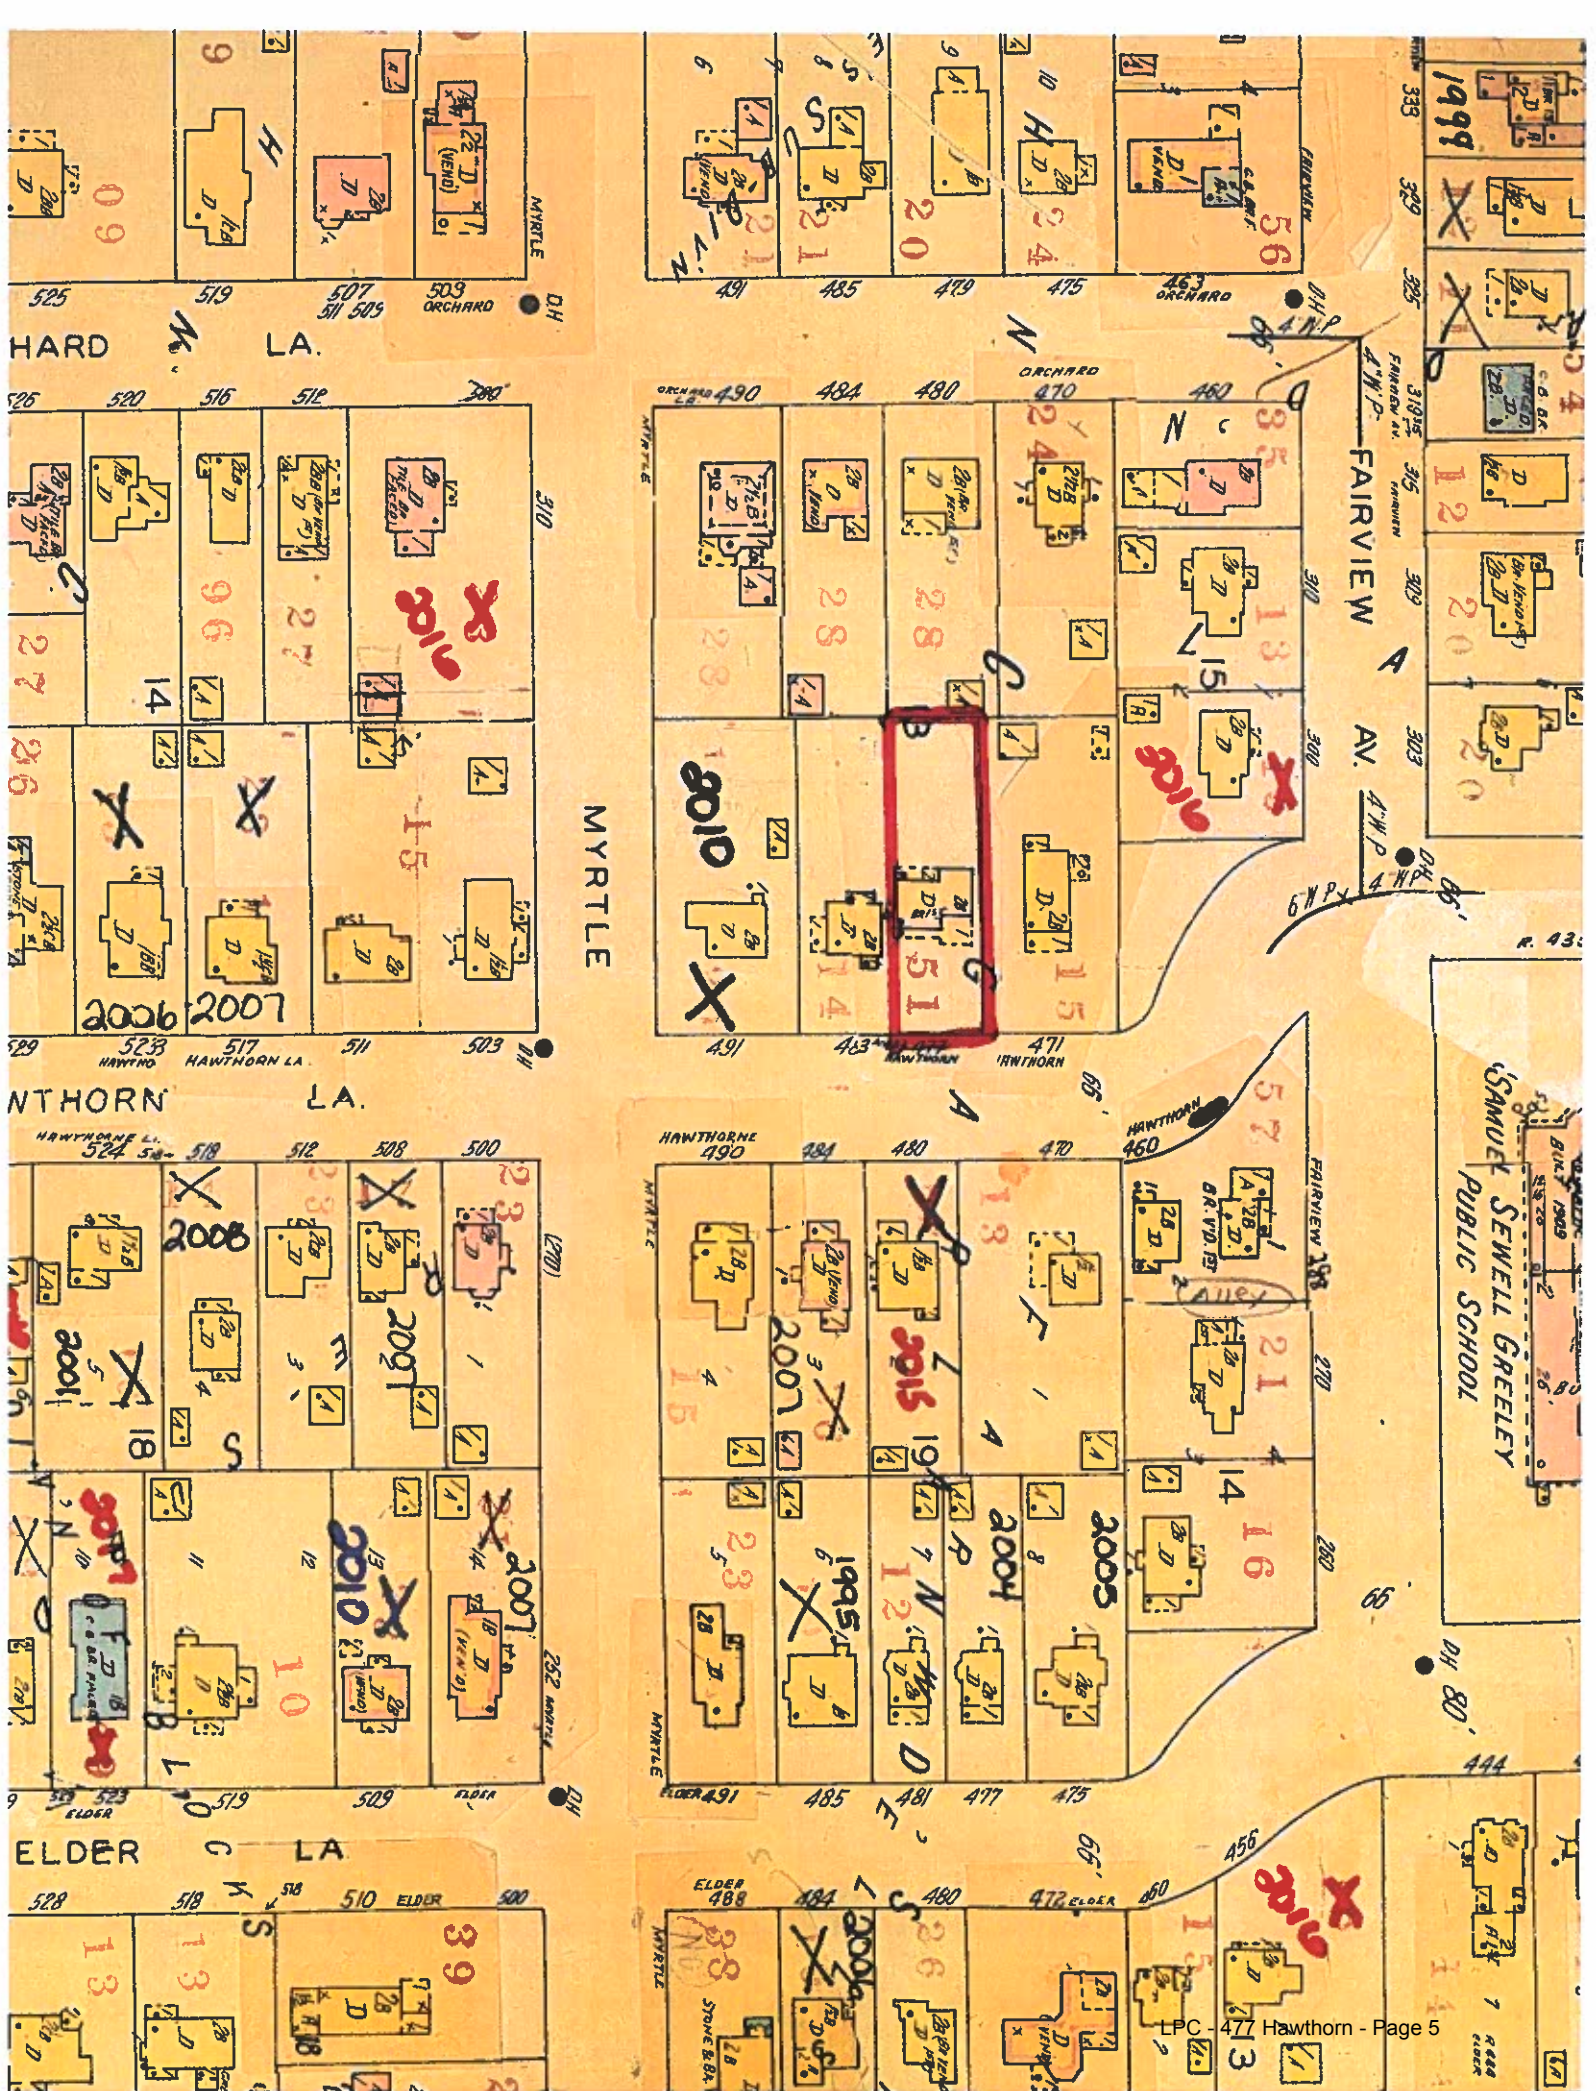

INTRODUCTION

On July 1, 2019, the Landmark Preservation Commission (LPC) will consider a request to demolish the residence located at 477 Hawthorn Lane. Please return any available information regarding the architectural and historical significance of the structure to my attention by the end of the day on Thursday, June 20, 2019. If you have any questions please feel free to send an email to cmarx@winnetka.org or call me at (847) 716-3587.

WINNETKA HISTORICAL SOCIETY HOUSE RESEARCH WORKSHEET

ADDRESS: 477 Hawthorn Lane

CONSTRUCTION DETAILS

ORIGINAL CONSTRUCTION DATE: 1951

CONSTRUCTION TYPE: Frame/Masonry

STYLE: 1950's

OWNERSHIP HISTORY:

OWNER NAME	DATES OCCUPIED	INFORMATION ATTACHED	SIGNIFICANCE
Dr. & Mrs. Edward Berkenstadt	1951-1968	Telephone Directory, Real Estate Listing	
Marvin & Mary Jane Pitluck	1968-2019	Telephone Directory Real Estate Listing	

SIGNIFICANT EVENTS ON PROPERTY:

ARCHITECTS:

ARCHITECT NAME	DATE AND DESCRIPTION OF PROJECT	INFORMATION ATTACHED
E.R. Humrich	1951-Construct home	Village Hall Records
E.R. Humrich	1958-Single room addition	Village Hall Records
Ernest M. Mandel	1961-Remodel home	Village Hall Records
Ralph C. Korn	1975-Second floor addition	Village Hall Records

RESEARCH SOURCES USED: Proquest database, Historical Phone Books, Real Estate Listings, WHS house files, Chicago Tribune Historic Files

Date of Research: June 13, 2019

Our research does not indicate 477 Hawthorn Lane has historical or architectural significance. 477 Hawthorn was designed by a famous architect, Edward Humrich, but it was significantly modified by the second owner, therefore is not a good example of Humrich's work. However, 500 Hawthorn Lane is also requesting a demolition permit in this current cycle. The homes are ½ block apart which could be very disruptive to the existing neighbors.

Edward J. Berkenstadt

BERKENSTADT, Dr., EDWARD J. Dr. Edward J. Berkenstadt, 91, of Rancho Santa Fe, died Tuesday, November 22, 2005. Born in Chicago on May 12, 1914, Dr. Berkenstadt served as a Naval medical officer in the Pacific and later in the Korean Conflict. Years later, Dr. Berkenstadt continued to give to his country by bringing cheer to injured troops at Great Lakes Naval Hospital. A successful dentist for over 45 years, Dr. Berkenstadt loved to sail on Lake Michigan and off San Diego in his boats, the "Nagivator" and the "Moon Child." After moving to Rancho Santa Fe in 1982, "Dr. Ed" volunteered in the VA Hospital pharmacy, La Jolla for 18 years. He is survived by his beloved wife of 61 years, Lois; his daughter, Joy Charney; two sons, Eugene and Jim; seven grandchildren, Diane, Janice, Justin, Edon, Paula, Becca and Brad and three great-grandchildren, Zachary, Ashley and Sarah. Funeral services were held on Friday, November 25th. The family requests donations to UCSD Alzheimer's Disease Research Center, Florence Riford Clinic, 9500 Gilman Dr., La Jolla, CA 92093-0948. This is a paid death notice.

DETAILS

North Shore architect Edward Humrich, 90: [NORTH SPORTS FINAL, C Edition]

Heise, Kenan

Chicago Tribune (pre-1997 Fulltext); Jan 8, 1992; Chicago Tribune
pg. 11

North Shore architect Edward Humrich, 90

By Kenan Heise

Edward Humrich, 90, a North Shore architect, designed hundreds of individualized homes in Evanston, Glencoe, Highland Park, Lake Forest and Deerfield. There also are approximately 30 of his homes in Riverwoods, west of Deerfield.

A longtime resident of Wadsworth, he died Dec. 27 in Crown Manor in Zion after a long illness.

Most of his homes were constructed in the 1950s and 1960s. Although he never copied, he admitted to being influenced by architect Frank Lloyd Wright, ac-

cording to Mr. Humrich's friend, Irene McMahon.

"Never copy anything," Mr. Humrich quoted Wright as saying. "Try to find out the principles involved and then work out your own answers."

McMahon said Humrich described his designs as "simple houses; not plain, simple." They are low, flat, glass-walled, affordable structures that have what one writer has called, "a crouching sense of unity with the landscape." He used redwood, cypress and common brick in the houses that are considered pleasingly spartan and well-designed.

Mr. Humrich's Riverwoods homes are in a wooded section along the Des Plaines River and demonstrate his philosophy that man should not try to separate himself from nature but should acknowledge that he is "an irrevocable part of it," McMahon quoted Humrich as saying.

Mr. Humrich was not formally trained as an architect, but worked early in his career with Robert Seyworth in designing homes.

There are no immediate survivors.

A memorial service will be held at 2 p.m. Saturday in his studio-home in Wadsworth.

Edward Humrich Architect

Biography

"I think a house, any building, should go with the land, not violate the land. That to me is a great sin. As a matter of fact, on my wall in the studio there I say that a house should be like an outcropping of the land, a rock formation, to belong to the site. That's the way I feel."

Edward Humrich was born in Chicago in 1902. He was trained as a musician but began his career in real estate selling co-op apartments, financing and developing North Shore properties. He later found work designing houses for Chicago architects Robert Arnold

Interview Excerpt_ "I think I would tell [someone who wants to be an architect] to forget schools, take the books and throw them away. I remember the thing that affected me more than anything else in my youth was that I ran across something by [Frank Lloyd] Wright. He was denouncing people who copied and trying to establish schools...He said, 'Never copy anything. Try to find out the principles involved and then work out your own answers.' It's a very hard job when you're faced with a problem, especially a design problem, to stare at a blank piece of paper for hours and sometimes days and nights. Nothing comes and you begin to think you're going a little batty. I remember one time I was working in the studio and I knew if I put pencil to paper I'd be lost, I knew that. I worked one way or another in my mind, in my imagination, but nothing came. I think I worried over that for three days and three nights. It was a beautiful night and at about five o'clock in the morning I went out to get a little fresh air and I happened to look up and here is Orion....That solved my whole problem." (pp. 54-55)

MEMORANDUM VILLAGE OF WINNETKA

COMMUNITY DEVELOPMENT DEPARTMENT

TO: LANDMARK PRESERVATION COMMISSION
FROM: CHRISTOPHER, MARX, AICP, ASSOCIATE PLANNER
DATE: JUNE 26, 2019
SUBJECT: CASE NO. 19-13-LPC: 892 OAK STREET

INTRODUCTION

On July 1, 2019, the Landmark Preservation Commission (LPC) is scheduled to consider a request from Cory Todd (the "Applicant") to demolish the existing single-family residence and detached garage on the property at 892 Oak Street (the "Subject Property"). The Applicant is representing Trend Development Partners – Oak, LLC, the contract purchaser of the Subject Property.

A mailed notice has been sent to property owners within 250 feet in compliance with Section 15.52 of the Village Code. As of the date of this memo, staff has not received any written comments from the public regarding this application.

PROPERTY DESCRIPTION

The Subject Property, which is approximately 0.22 acres in size, is located on the south side of Oak Street between Provident Avenue and Birch Street, and it contains a single-family residence with a detached garage. The property is zoned R-5 Single-Family Residential, and it is surrounded by R-5 Single-Family Residential.

PROPERTY HISTORY

As represented on the attached preliminary property history study (Attachment B), the original date of construction is not able to be determined from Village records. The first record in Village files is of the sewer connection in 1907 according to a 1938 Sanborn Map. There were subsequent building permits issued for a porch addition in 1935, front-porch enclosure in 1945, and a bay window addition in 1985. The structure is not a national, state, or locally designated landmark. The Winnetka Historical Society (WHS) has indicated that the structure does not have architectural or historical significance beyond its age of 112 years. Additionally, the WHS noted that the neighborhood's character would be affected as the property would be the 13th house on that block of Oak Street to be demolished in the past 20 years. Lastly, the WHS highlights that one of the property's previous owners, Davies Lazear, was a prominent amateur photographer with collections that are archived with the Historical Society. The WHS's research and comments are included in this report as Attachment C.

NEIGHBORHOOD CONSTRUCTION ACTIVITY

The Director of Community Development may delay the issuance of a demolition permit for up to 60 days if one or more building or demolition permits for primary structures have been approved for properties, for which work is continuing, on either side of the right-of-way block face and/or alley along which the property is located, or if the Director determines that a delay is necessary to prevent undue

congestion and noise impacts in the neighborhood. Currently, there is one new single family residence under construction on the same block as the Subject Property at 910 Oak Street. The Director will determine if a delay is necessary upon approval of any building permit for new construction or site restoration in the neighborhood.

COMMISSION REVIEW

In accordance with Section 15.52.040 of the Village Code, the Commission is required to determine whether the building and/or property is of sufficient historic or architectural merit to warrant conducting a Historical Architectural Impact Study (HAIS) prior to issuance of the demolition permit. Upon completing the preliminary historic and architectural review, the LPC shall enter preliminary findings on the issue of whether the demolition permit application affects a building or property that has sufficient architectural or historic merit to warrant conducting a full HAIS prior to issuance of the demolition permit. In making its determination, the LPC shall consider the following:

1. The preliminary property history study (information on the original building, date of construction, name of property, architect and owner, current photographs of the property, list of work on the property for which the Village has issued a permit) (Attachment B);
2. Comments of the Winnetka Historical Society (Attachments B and C);
3. Any other information, comment or evidence received by the LPC at the preliminary review meeting.

If the LPC finds that the HAIS is warranted, it shall so notify the Director of Community Development and shall order the applicant to conduct such study.

If the LPC finds that an HAIS is not warranted, it shall notify the Director of Community Development that it finds no historic or architectural grounds for delaying the demolition. The preliminary determination of the LPC shall be supported by findings of fact based on the record. The findings of fact shall include statements as to whether or not the building or property has architectural merit, historical significance, both, or neither.

The LPC shall require an HAIS for any demolition permit application that meets any of the following criteria:

1. The property or structures have been designated a landmark pursuant to Chapter 15.64 of the Village Code;
2. The property or structures have been included in the most recent Illinois Historic Structure Survey conducted under the auspices of the Illinois Department of Conservation;
3. The property or structures have been listed on the National Register of Historic Places or the Illinois Register of Historic places; and
4. The property or structures have sufficient architectural or historical merit to warrant a full HAIS prior to issuance of a demolition permit.

MEMORANDUM VILLAGE OF WINNETKA

COMMUNITY DEVELOPMENT DEPARTMENT

TO: WINNETKA HISTORICAL SOCIETY
FROM: CHRISTOPHER MARX, AICP, ASSOCIATE PLANNER
DATE: JUNE 11, 2019
SUBJECT: CASE NO. 19-13: 892 OAK STREET

INTRODUCTION

On July 1, 2019, the Landmark Preservation Commission (LPC) will consider a request to demolish the residence and detached garage located at 892 Oak Street. Please return any available information regarding the architectural and historical significance of the structure to my attention by the end of the day on Thursday, June 20, 2019. If you have any questions please feel free to send an email to cmarx@winnetka.org or call me at (847) 716-3587.

RESEARCH SOURCES USED: Proquest database, Historic phone books, Real Estate Listings, WHS house files, Cook County Property Tax Portal.

Date of Research: June 13, 2019

Our research does not indicate that 892 Oak Street has historical or architectural significance other than its age of 112 years. No records were found about the original owner or Architect.

It should be noted that this property and another that has applied for demolition permit in March of this year (910 Oak) are on the same block. It is the 13th house on the block to be demolished in the past 20 years, impacting the historic character of the street. In addition, Dr. Lazear, was an amateur photographer and the Historical Society has a collection of his photographs of Winnetka.

Obituaries

(Continued from page 105)

Winnetka, and Mrs. Betty Jane Corbett of the DeWindt road address; two sons, John Augie of Lake Forest, and William Stark of 1947 Beechnut road, Northbrook; twelve grandchildren; and 2 great grandchildren. A granddaughter, Mrs. Nona Barborka, lived with the Hansens until her marriage.

Burial will be in Memorial Park Cemetery.

JANE LAZEAR

Memorial services for Mrs. Jane Lazear, 70, of Bradenton, Fla., formerly of Winnetka, will be held at 3 p.m. Saturday in the Prouty chapel of the Winnetka Congregational Church.

Friends will be received at the home of a son, Dr. William Lazear, 246 Sheridan road, Winnetka, after 8 p.m. Friday.

Mrs. Lazear was a member of First Church of Christ, Scientist, Winnetka. She was born in Decatur, Ala., and lived in Winnetka 40 years. She died Tuesday.

Surviving, in addition to her son, are her husband, Dr. Davies Lazear; and four grandchildren.

Burial will be private. In lieu of flowers, friends are asked to make donations to the Onward Neighborhood House of Chicago. Wilson Funeral Home is handling the arrangements.

MARY HAYMES ROBINSON

Mrs. Mary Haymes Robinson, 66, of 1173 Tower road, Winnetka, died Friday in her home. Mrs. Robinson lived in Richmond, Va., before moving to Winnetka more than a year ago.

Surviving are a daughter, Mrs. Mary Liebert of the Tower road address; and two grandchildren.

Services were held Tuesday in Virginia.

LILIAN PAVLICEK STEFANY

Mrs. Lilian Pavlicek Stefany, 1423 Edgewood lane, Winnetka, died Sunday in her home.

She was born in Chicago and lived in Winnetka 19 years. She was a member of First Church of Christ, Scientist, Winnetka.

Surviving are her husband, Henry Stefany, a partner in the brokerage firm of Francis I. du Pont and Company; a daughter, Miss Dorothy J. Stefany of Los Angeles, Cal.; a son, Roger A. of Evanston; and three sisters, Mrs. Amy Kudrna of Berwyn, Mrs. Edith Hegner of Fox River Grove, and Mrs. Grace Maly of Riverside.

Services were private. Wilson Funeral Home handled the arrangements.

Sears Curriculum To Be Discussed

QUEEN OF NORTHBROOK—Northbrook Chamber of Commerce as Mrs. Northbrook of 1962. Mrs. from three finalists and will represent contest Saturday in Glenbrook Hills.

Mrs. James Cowan Mrs. Northbrook

Mrs. James L. Cowan, 2132 Northbrook of 1962 Saturday in before 250 persons.

Runner-up was Mrs. Kennetl runner-up (third place) was Mrs.

The three were announced as finalists Saturday. They reached the finals through semifinal homemaking and grooming competition among six entrants Oct. 14 in Glenbrook High School. Other semifinalists were Mrs. Lloyd A. Peterson, 4705 Forest View drive; Mrs. Harold Erickson, 1781 Western avenue; and Mrs. Charles Roth, 438 Forest View drive.

The finalists each answered on serious and one humorous question asked by Henry Cooke of Northbrook, NBC radio announcer in Chicago, who was master of ceremonies. They also were judged on appearance, personality, poise, and participation in community life.

What To Do-o-o?

Mrs. Cowan was asked what she would do if her car got a flat tire in the morning traffic while she was waiting only a cost over

DEATH NOTICES

[Continued on following page]

OUR TOWN

Paragraphs About Some Folks You Know.

AFTER practicing for 58 years as a dentist, Our Townner Dr. William Weston Lazear retired last week, turning his practice over to his son, Dr. Davies Lazear. Dr. Lazear, now 85 years old, began practice at 22d street and Indiana avenue, and 36 years ago moved to 57 East Madison street where he has been ever since. He was more than 80 years old when he enrolled at the Chicago Dental Study club for a special course in modern bridge-work. He says Dr. William Lazear, people take better care of their teeth today than they did when he first began practice. Dr. Lazear will spend the summer living with another son, Weston, in East Orange, N. J., and in the fall will return to live with Dr. Davies Lazear at 1003 Westmore road, Winnetka.

ELEVEN year old Olive Lynn Gall, 2315 Orrington avenue, Evanston, was awarded first prize in the recent annual talent contest for youngsters at the Shawnee Country club, Wilmette. She is a ballet dancer. Other Our Town youngsters who also won prizes are Joan McGowan, Joanne Ellmore, Nancy Day, Carolyn Culbertson, Barbara Stentford, Janet Shenon, Yvonne Gleason, and Elaine Doyle.

The University club of St. Ignatius parish will hold its spring tea dances this afternoon at the Parkway hotel, 2100 Lincoln Park West. Members of the arrangements committee include Mary Shannon, Joseph Diffendahl, Jack Newmann, Charlotte Kepner, Jack O'Connor, Betty Boehme, and John Quinn. The club was organized three years ago.

WHEN the 29th annual Easter and spring flower show at Lincoln park conservatory closes at 10 o'clock this evening, all attendance records will have been broken, park officials predict. Last year 222,559 persons saw the array of 85,000 blooms, of which 10,000 were Easter lilies. With the close of the show, the conservatory will go back to its routine hours of operation, from 8 o'clock in the morning to 5 in the afternoon.

Edward J. Laskey, 21 years old, 4049 Malden avenue, is the winner of a 10 week scholarship at the Lake Zurich Summer theater presented in recognition of his acting ability with the Chase Park Players.

Mr. and Mrs. Alexander Descourouez, who have resided for 48 years at 2911 Burling street, celebrated their golden wedding anniversary last Sunday. They have six sons, Joseph, Frank, Peter, Stanley, Emil, and Adolph; two daughters, Mrs. Mary Bauer and Mrs. Lena Worth; eleven grandchildren, and three great-grandchildren. Mr. Descourouez is a former tilesetter. Both Mr. and Mrs. Descourouez were born in Belgium.

Mgr. Fulton J. Sheen, head of the philosophy department of the Catholic University of America, will speak on "Revolutions and Counter-Revolutions" in the Loyola Community theater at 8:30 o'clock Tuesday night. He taught at St. Edmund's college, Ware, England, before joining the Catholic university faculty in 1926. He is a radio speaker and author.

SUBJECT: CASE NO. 19-14-LPC: 500 HAWTHORN LANE

INTRODUCTION

On July 1, 2019, the Landmark Preservation Commission (LPC) is scheduled to consider a request from Jack Kruszewski (the "Applicant" and "Owner") to demolish the existing single-family residence and detached garage on the property at 500 Hawthorn Lane (the "Subject Property").

A mailed notice has been sent to property owners within 250 feet in compliance with Section 15.52 of the Village Code. As of the date of this memo, staff has not received any written comments from the public regarding this application.

PROPERTY DESCRIPTION

The Subject Property, which is approximately 0.19 acres in size, is located at the southwest corner of Hawthorn Lane and Myrtle Street, and it contains a single-family residence and a detached garage. The property is zoned R-5 Single-Family Residential, and it is surrounded by R-5 Single-Family Residential.

PROPERTY HISTORY

As represented on the attached preliminary property history study (Attachment B), the building permit for the construction of the residence was issued on September 25, 1923. The architect of record is Monroe Sandell. The owner at the time of construction was Charles H. Kallstedt. There were subsequent building permits issued for a detached garage on October 25, 1923, and a screen-in porch in 1974. The structure is not a national, state, or locally designated landmark. The Winnetka Historical Society (WHS) has indicated that the structure does not have architectural or historical significance beyond its age of 96 years. The WHS's research and comments are included in this report as Attachment C.

NEIGHBORHOOD CONSTRUCTION ACTIVITY

The Director of Community Development may delay the issuance of a demolition permit for up to 60 days if one or more building or demolition permits for primary structures have been approved for properties, for which work is continuing, on either side of the right-of-way block face and/or alley along which the property is located, or if the Director determines that a delay is necessary to prevent undue congestion and noise impacts in the neighborhood. While there are no approved building or demolition permits for new primary structures on the block, there have been demolition applications submitted for two other properties within close proximity to the Subject Property. The Director will determine if a delay is necessary upon the approval of any building permit for new construction or site restoration in the neighborhood.

COMMISSION REVIEW

In accordance with Section 15.52.040 of the Village Code, the Commission is required to determine whether the building and/or property is of sufficient historic or architectural merit to warrant conducting a Historical Architectural Impact Study (HAIS) prior to issuance of the demolition permit. Upon completing the preliminary historic and architectural review, the LPC shall enter preliminary findings on the issue of whether the demolition permit application affects a building or property that has sufficient architectural or historic merit to warrant conducting a full HAIS prior to issuance of the demolition permit. In making its determination, the LPC shall consider the following:

1. The preliminary property history study (information on the original building, date of construction, name of property, architect and owner, current photographs of the property, list of work on the property for which the Village has issued a permit) (Attachment B);
2. Comments of the Winnetka Historical Society (Attachments B and C);
3. Any other information, comment or evidence received by the LPC at the preliminary review meeting.

If the LPC finds that the HAIS is warranted, it shall so notify the Director of Community Development and shall order the applicant to conduct such study.

If the LPC finds that an HAIS is not warranted, it shall notify the Director of Community Development that it finds no historic or architectural grounds for delaying the demolition. The preliminary determination of the LPC shall be supported by findings of fact based on the record. The findings of fact shall include statements as to whether or not the building or property has architectural merit, historical significance, both, or neither.

The LPC shall require an HAIS for any demolition permit application that meets any of the following criteria:

1. The property or structures have been designated a landmark pursuant to Chapter 15.64 of the Village Code;
2. The property or structures have been included in the most recent Illinois Historic Structure Survey conducted under the auspices of the Illinois Department of Conservation;
3. The property or structures have been listed on the National Register of Historic Places or the Illinois Register of Historic places; and
4. The property or structures have sufficient architectural or historical merit to warrant a full HAIS prior to issuance of a demolition permit.

MEMORANDUM VILLAGE OF WINNETKA

COMMUNITY DEVELOPMENT DEPARTMENT

TO: WINNETKA HISTORICAL SOCIETY
FROM: CHRISTOPHER MARX, AICP, ASSOCIATE PLANNER
DATE: JUNE 11, 2019
SUBJECT: CASE NO. 19-14: 500 HAWTHORN LANE

INTRODUCTION

On July 1, 2019, the Landmark Preservation Commission (LPC) will consider a request to demolish the residence and detached garage located at 500 Hawthorn Lane. Please return any available information regarding the architectural and historical significance of the structure to my attention by the end of the day on Thursday, June 20, 2019. If you have any questions please feel free to send an email to cmarx@winnetka.org or call me at (847) 716-3587.

SIGNIFICANT EVENTS ON PROPERTY:

ARCHITECTS:

ARCHITECT NAME	DATE AND DESCRIPTION OF PROJECT	INFORMATION ATTACHED
Monroe Sandell	Construct single family residence, 9/25/1923	<i>The Western Architect</i> , Vol. 21, Number 1, January 1915, p. 111.

RESEARCH SOURCES USED: Proquest database, Historic phone books, Real Estate Listings, WHS house files.

Date of Research: June 18, 2019

Our research does not indicate that 500 Hawthorn has historical or architectural significance other than its age of 96 years. It should be noted that this property and another that has applied for demolition permit this month (477 Hawthorn Lane) are within ½ block from one another.

The Western Architect, Vol 21, Number 1, January 1911

POSITION DESIRED by experienced Architectural Designer and Draftsman. Also Designer, expert in steel construction and thorough in specifications. Equal to the others for work, salary will consider my offer. ADDRESS: VINN & BROWN, BOSTON, U.S.A.

ARCHITECTURAL DRAFTSMAN WANTED by local Chicago Architectural firm. Applicant must be experienced in the drafting of work and must also be able to handle interviews with clients. Applicant filling above position must be able to make a professional reputation at a good salary. When writing give complete information as to the past record and future recommendations. ADDRESS: A. N. SMITH, THE WESTERN ARCHITECT

Brentwood S. Tolan, architect, formerly of Fort Wayne, Indiana, is now located at Lima, Ohio.

Parsons & Dean is the name of a new architectural firm with offices at 425 H-H building, Cape Girardeau, Mo.

Architect Carl Birkhausen has removed from 121 Wisconsin street, Milwaukee, to 408 Iron Block, Milwaukee.

Monroe R. Sandell, architect, has moved his office from 164 West Washington street to Room 1601, Ashland Block, Chicago.

R. D. Church, bank architect, formerly of Dallas, Texas, has opened an office at 1014 McKnight building, Minneapolis, Minn.

W. Wiegand, architect, has removed his offices to the Monolith building, 45 West Thirty-fourth street, New York City.

THE POWER OF GOOD ADVERTISING.

Several weeks ago we were told by the sales manager of one of our clients that his company were manufacturing an article which has demonstrated its merits for the purpose intended, but which was not readily accepted by architects particularly in the Middle West.

With the view of having the architects become more conversant with the good features of this product, a handsome catalog was issued and space reserved with us to run a colored double-page advertisement.

This appeared in our November issue over the imprint of the Milwaukee Corrugating Company, Milwaukee, Wisconsin, and illustrated a front view of the catalog in question and a few styles of Metal Shingles and Tile which they manufacture.

The response from the architectural field has been highly satisfactory. Our client writes us that requests are coming in daily from many of the leading architects those who have developed a large clientele many of them indicating that Metal Shingles and Tile will be given more consideration in the future.

We are told that in classifying the standing of the architects from whom responses have been received, the character of our periodical is strongly reflected, indicating that it reaches the better class.

There is no question about the satisfactory appearance of "Titelock" Metal Shingles and Tile, manufactured by the Milwaukee Corrugating Company when placed upon the roof of a building.

All styles are manufactured from full weight 16 or 18 Terne Plate, and either painted or galvanized after formation. The latter process is one that provides a very superior roof covering. After the stamping has been done, the shingles or tile is carefully dipped by hand in pure hot spelter.

A complete line of trimmings, such as: Ridge and Hip Covering, Valleys, Flashing, and Finials are also supplied to be used in connection with "Titelock" Metal Shingles and Tile, and the result is a roof which enhances the appearance and value of the building, and one that will wear well and satisfactorily for from twenty-five to thirty years.

In many cities ordinances have been adopted requiring that roofs of all buildings be covered with non-combustible material, and also specifying that when roofs of any combustible material demand repairs exceeding one-third of the roof area, that the entire roof must be covered with a non-combustible material.

Metal Shingles and Tile are not in their infancy—they have been tried and not found wanting.

"Titelock" Metal Shingles and Tile have been, and are now, being used on some very important buildings throughout the country, and have been specified in connection with a great deal of Government work.

While endeavoring to present in the printed page, through standard publications in architectural use, as far as words and detail diagrams can, the form and advantageous features of "Titelock" Metal Shingles and Tile, the manufacturers are ready at any time to furnish samples and supply all information that may be wanted.

PROPERTY MAINTENANCE REQUIREMENTS

DURING PROCESSING OF DEMOLITION PERMIT, IT IS IMPORTANT THAT OWNER AND CONTRACTOR MAINTAIN PROPERTY IN ACCORDANCE WITH VILLAGE PROPERTY MAINTENANCE CODE TO AVOID GENERATION OF NUISANCES. ACCORDINGLY, THE FOLLOWING MINIMUM REQUIREMENTS SHALL BE ADHERED TO:

- GRASS SHALL BE MOWED AND MAINTAINED AT A HEIGHT NOT TO EXCEED 8 INCHES.
- GARBAGE, YARD WASTE, MISCELLANEOUS RUBBISH, MAIL, AND DEBRIS SHALL BE REMOVED FROM THE PROPERTY AND NOT ALLOWED TO ACCUMULATE.
- BUILDING(S) SHALL BE SECURED (DOORS AND WINDOWS IN WORKING ORDER, CLOSED AND LOCKED).
- NO DEMOLITION OR REMOVAL OF BUILDING COMPONENTS MAY COMMENCE UNTIL DEMOLITION PERMIT HAS BEEN ISSUED. COMMENCEMENT OF DEMOLITION PRIOR TO ISSUANCE OF DEMOLITION PERMIT WILL RESULT IN A STOP WORK ORDER AND DOUBLE PERMIT FEES FOR ALL SUBSEQUENT PERMITS.
- APPROVED TREE FENCING PROTECTION MUST BE INSTALLED AS DIRECTED BY VILLAGE FORESTER PRIOR TO START OF DEMOLITION. LACK OF TREE FENCING WILL RESULT IN STOP WORK ORDER AND FINES.

I (I/We) hereby agree to demolish the above structure or portion thereof, in accordance with the information submitted herewith and in strict compliance with all provisions of the Building Code and other related Ordinances of the Village of Winnetka, and I (I/We) hereby consent to inspection of the work during demolition and to the responsibility of maintaining the subject site and adjacent public and private properties in a good, safe and clean condition.

MEMORANDUM VILLAGE OF WINNETKA

COMMUNITY DEVELOPMENT DEPARTMENT

TO: LANDMARK PRESERVATION COMMISSION
FROM: CHRISTOPHER, MARX, AICP, ASSOCIATE PLANNER
DATE: JUNE 26, 2019
SUBJECT: CASE NO. 19-15-LPC: 315 FAIRVIEW AVENUE

INTRODUCTION

On July 1, 2019, the Landmark Preservation Commission (LPC) is scheduled to consider a request from Jack Kruszewski (the "Applicant" and "Owner") to demolish the existing single-family residence and detached garage on the property at 315 Fairview Avenue (the "Subject Property").

A mailed notice has been sent to property owners within 250 feet in compliance with Section 15.52 of the Village Code. As of the date of this memo, staff has not received any written comments from the public regarding this application.

PROPERTY DESCRIPTION

The Subject Property, which is approximately 0.18 acres in size, is located on the east of Fairview Avenue between Willow Road and Hawthorn Lane, and it contains a single-family home with a detached garage. The property is zoned R-5 Single-Family Residential, and it is bordered by R-5 Single-Family Residential to the north, south and west, and R-4 Single-Family Residential to the east.

PROPERTY HISTORY

As represented on the attached preliminary property history study (Attachment B), the original date of construction is not able to be determined from Village records. The first record in Village files is of the sewer connection in 1912 according to a 1938 Sanborn Map. There were subsequent building permits issued for a detached garage in 1929 and a family room addition in 1981. The structure is not a national, state, or locally designated landmark. The Winnetka Historical Society (WHS) has indicated that the structure does not have architectural or historical significance beyond its age of 107 years. The WHS's research and comments are included in this report as Attachment C.

NEIGHBORHOOD CONSTRUCTION ACTIVITY

The Director of Community Development may delay the issuance of a demolition permit for up to 60 days if one or more building or demolition permits for primary structures have been approved for properties, for which work is continuing, on either side of the right-of-way block face and/or alley along which the property is located, or if the Director determines that a delay is necessary to prevent undue congestion and noise impacts in the neighborhood. While there are no approved building or demolition permits for new primary structures on the block, there have been demolition applications submitted for two other properties within close proximity to the Subject Property. The Director will determine if a delay is necessary upon the approval of any building permit for new construction or site restoration in the neighborhood.

COMMISSION REVIEW

In accordance with Section 15.52.040 of the Village Code, the Commission is required to determine whether the building and/or property is of sufficient historic or architectural merit to warrant conducting a Historical Architectural Impact Study (HAIS) prior to issuance of the demolition permit. Upon completing the preliminary historic and architectural review, the LPC shall enter preliminary findings on the issue of whether the demolition permit application affects a building or property that has sufficient architectural or historic merit to warrant conducting a full HAIS prior to issuance of the demolition permit. In making its determination, the LPC shall consider the following:

1. The preliminary property history study (information on the original building, date of construction, name of property, architect and owner, current photographs of the property, list of work on the property for which the Village has issued a permit) (Attachment B);
2. Comments of the Winnetka Historical Society (Attachments B and C);
3. Any other information, comment or evidence received by the LPC at the preliminary review meeting.

If the LPC finds that the HAIS is warranted, it shall so notify the Director of Community Development and shall order the applicant to conduct such study.

If the LPC finds that an HAIS is not warranted, it shall notify the Director of Community Development that it finds no historic or architectural grounds for delaying the demolition. The preliminary determination of the LPC shall be supported by findings of fact based on the record. The findings of fact shall include statements as to whether or not the building or property has architectural merit, historical significance, both, or neither.

The LPC shall require an HAIS for any demolition permit application that meets any of the following criteria:

1. The property or structures have been designated a landmark pursuant to Chapter 15.64 of the Village Code;
2. The property or structures have been included in the most recent Illinois Historic Structure Survey conducted under the auspices of the Illinois Department of Conservation;
3. The property or structures have been listed on the National Register of Historic Places or the Illinois Register of Historic places; and
4. The property or structures have sufficient architectural or historical merit to warrant a full HAIS prior to issuance of a demolition permit.

MEMORANDUM VILLAGE OF WINNETKA

COMMUNITY DEVELOPMENT DEPARTMENT

TO: WINNETKA HISTORICAL SOCIETY
FROM: CHRISTOPHER MARX, AICP, ASSOCIATE PLANNER
DATE: JUNE 11, 2019
SUBJECT: CASE NO. 19-15: 315 FAIRVIEW AVENUE

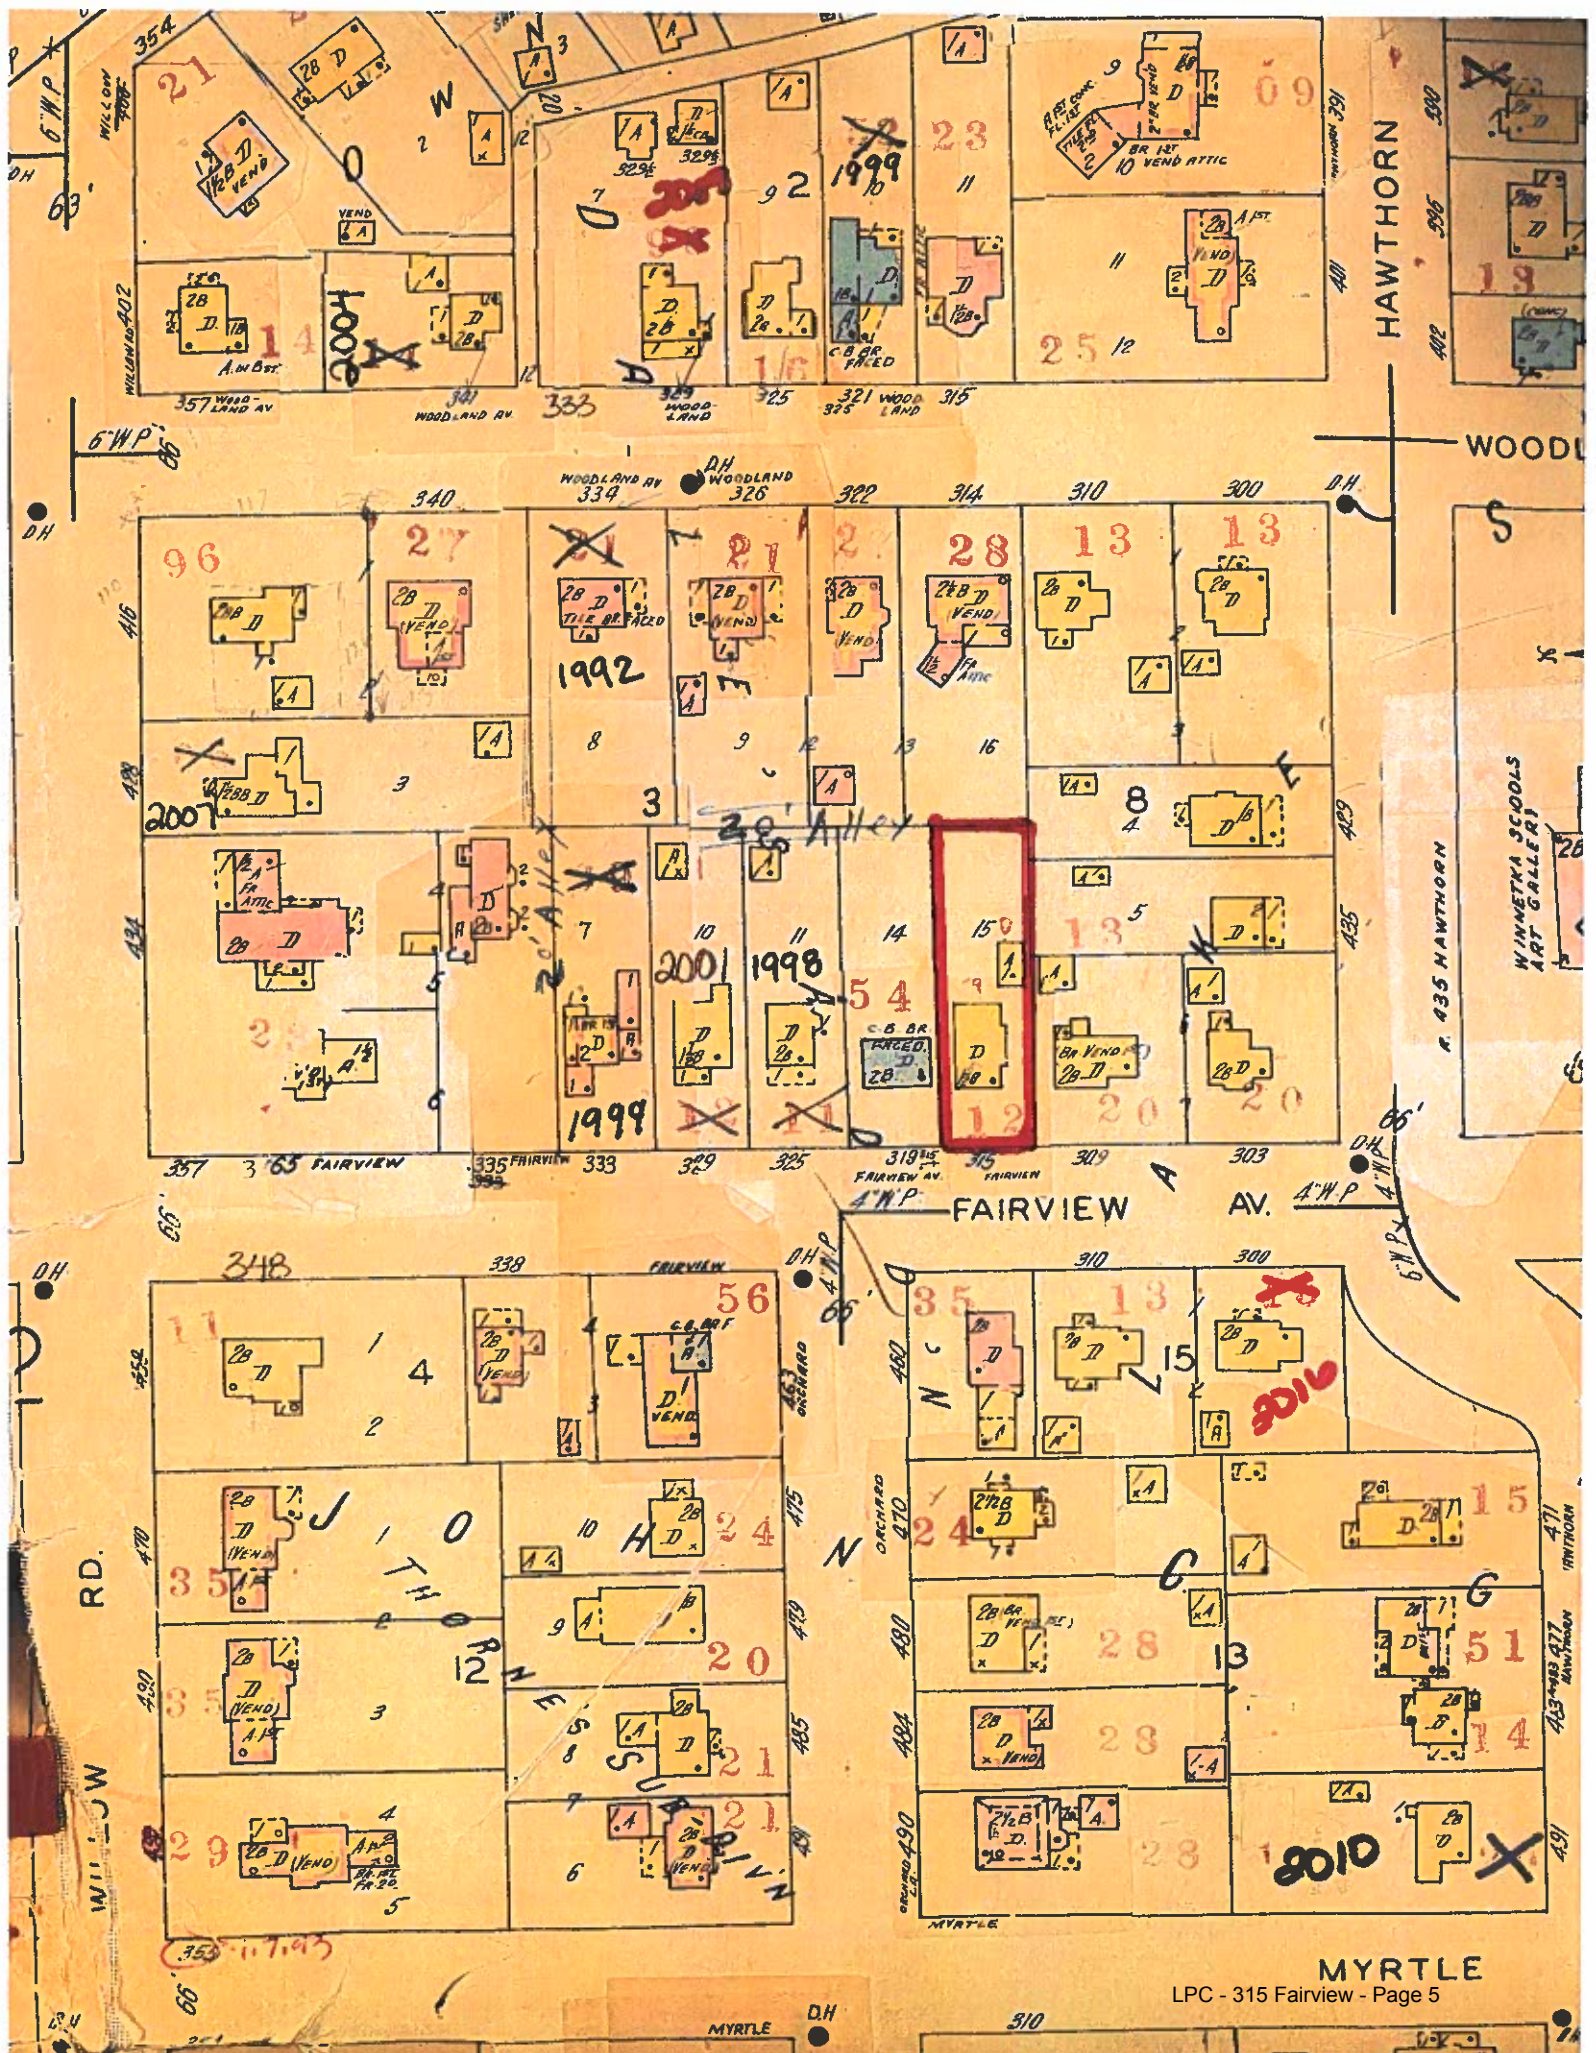

INTRODUCTION

On July 1, 2019, the Landmark Preservation Commission (LPC) will consider a request to demolish the residence and detached garage located at 315 Fairview Avenue. Please return any available information regarding the architectural and historical significance of the structure to my attention by the end of the day on Thursday, June 20, 2019. If you have any questions please feel free to send an email to cmarx@winnetka.org or call me at (847) 716-3587.

STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUESTED BY THE ACT OF CONGRESS OF AUGUST 24, 1912.

Of the Winnetka Talk published weekly at Winnetka, Ill., for April 1, 1927.

STATE OF ILLINOIS } SS.
COUNTY OF COOK }

Before me, a Notary Public in and for the State and county aforesaid, personally appeared Lloyd Hollister, who having been duly sworn according to law, deposes and says that he is the Business Manager of Winnetka Talk and that the following is to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in section 443, Postal Laws and Regulations, printed on the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are:

Publisher, Lloyd Hollister, Inc., (A Corporation), 1222 Central Ave., Wilmette, Ill.; Editor, Erwin W. Weber, 500 5th St., Wilmette, Illinois; Business Manager, Lloyd Hollister, 813 Pine St., Winnetka.

2. That the owners are: (Give names and addresses of individual owners, or if a corporation, give its name and the names and addresses of stockholders owning or holding 1 per cent or more of the total amount of stock.)

Lloyd Hollister, Inc. (A Corporation) 1222 Central Ave., Wilmette, Ill.

Lloyd Hollister, 813 Pine St., Winnetka, Ill.; E. R. Ladd, 2404 Harrison Ave., Evanston, Ill.; Robt. D. Rodenberg, 635 N. Lockwood Ave., Chicago, Ill.; David Nelson, 821 Elmwood Ave., Wilmette, Ill.; F. L. Bateman, 735 Michigan Ave., Wilmette, Ill.; Gustaf Nelson, 849 Elm St., Winnetka, Ill.; E. C. Weissberg, 965 Elm St., Winnetka, Ill.; H. D. Hill, 801 Walden Rd., Winnetka, Ill.; Frank A. Wilson, 1118 Central Ave., Wilmette, Ill.; Ben P. Kiefer, 1301 Asbury Ave., Winnetka, Ill.; Harry Lynn, 1111 Gage St., Winnetka, Ill.; Wersted Motor Co., 563 Lincoln Ave., Winnetka, Ill.; Elmer E. Adams, 873 Oak St., Winnetka, Ill.; Earl L. Weinstein, 1323 Asbury Ave., Winnetka, Ill.; Arthur C. F. Gedde, 1106 Elm St., Winnetka, Ill.; A. C. Wolff, 1124 Greenleaf Ave., Wilmette, Ill.; R. H. Schell, 800 Elm St., Winnetka, Ill.; A. M. Levy,

gages, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.) —None.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also in cases where the stockholder or security holder appears upon the books of the company as trustee and in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders, who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds or other securities than as so stated by him.

5. That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the six months preceding the date shown above is: (This information is required from daily publications only.)

LLOYD HOLLISTER.
(Signature of editor, publisher, business manager, or owner.)

Sworn to and subscribed before me this 28th day of March, 1927.

(Seal). R. D. RODENBERG,
(My commission expires May 8, 1930.)

A. B. Cleghorn Succumbs to Acute Heart Trouble

Alfred Bruce Cleghorn died at his home, 315 Fairview avenue, Winnetka, Thursday morning, of acute heart trouble, from which he had been ill only since the evening before. Mr. Cleghorn was for many years connected with the Chicago, Burlington & Quincy Railroad Co., from which service he retired about twelve years ago, when the family moved to Winnetka. Mrs. Cleghorn, the late Dora Hall Cleghorn, preceded her husband in death some years ago. Two daughters survive, Mrs. Percival Hunter, of 510 Ash street, Winnetka and Mrs. Clarence Dodge, of Chicago. The funeral will be held this Saturday morning at 10 o'clock, at the residence. Interment will be at Wilmington, Ill.

Miss Peggie Whipple, daughter of Mr. and Mrs. Roy A. Whipple of 170 Woodland avenue, had as her guests last week-end, "Frosty" Peters and George Yanos of the University of Illinois.

WINNETKA PRESERVATION AWARD NOMINATION

I would like to nominate the following exterior project:

Property Address:

700 ELM ST

Owner:

HADLEY INSTITUTE FOR THE BLIND
AND VISUALLY IMPAIRED

Owner's phone and email: _____

1. Award Category (check one):

☐ **Restoration:** The project restores the property to its original appearance using original plans and required research. The project may be a full-scale or partial restoration. An example of a partial restoration would include the replacement of an asphalt shingle roof with original roof material, or the restoration of a porch to its original condition.

☒ **Rehabilitation:** The project is sympathetic to the building's original design. Original plans and research materials are not available, but the project upholds the spirit of the building's style, use of materials and finish. Room additions or garages represent examples of rehabilitation.

☐ **New Construction:** Emphasizes the project's compatibility with its neighborhood. In this respect, issues regarding style, massing, scale, color, trees and context to adjacent properties feature in consideration.

2. Property Type:

- ☐ Private
☐ Commercial
☐ Public

3. **Brief Description of the Project (use extra page if needed):**

SEE ATTACHED

4. **Approximate date of project completion:**

APRIL 2019

5. **Name, address, phone number and email of nominator:**

HADLEY INSTITUTE 700 ELM ST.
JULIE TYE, PRESIDENT @ HADLEY.EDU

6. **Photos enclosed** BY EMAIL

7. **Signature of property owner:**

Pauline A. Holland
CHAIR OF TRUSTEES
HADLEY INSTITUTE FOR
THE BLIND AND VISUALLY
IMPAIRED

Questions? Call or email Christopher Marx: 847.716.3587 or cmarx@winnetka.org

Please submit this form together with photographs and other documentation no later than Friday, **May 24, 2019**. Electronically submitted nominations and photographs are encouraged. Please email them to cmarx@winnetka.org. Otherwise, please mail to:

Winnetka Preservation Awards
Attn: Christopher Marx
Village Hall
510 Green Bay Road
Winnetka, IL 60093

Rules:

1. Nominate your own property or as many projects as you like, as long as you get the owner to sign the form.
2. The project must have been completed within the past five years.
3. Entries for restoration or rehabilitation must include at least one "before" and one "after" photo. New construction entries need only have the completed project photograph.
4. Commercial, public or private properties are eligible.
5. Exterior projects only.

In February of 2018 the Hadley Institute for the Blind and Visually Impaired began a complete interior and exterior renovation of a seventy year old building.

The new structure is now complete with systems that will enable Hadley to deliver assistance to over 200,000 learners worldwide. The technology has been totally replaced to allow Hadley to reach the blind and visually impaired community on a 2.0 Platform

The exterior of the building has been enhanced with new matching brick where needed, new parking lot and driveway, landscaping, new signage, windows, two much needed interior elevators and a renovation of the SIX large windows on the North façade. These six windows represent cells which form letters in Braille.

This project has been an important part of the Hadley mission. The new building, created and enhanced by architects and many other professionals is a great addition to East Elm St. and the Village of Winnetka.

MEMORANDUM VILLAGE OF WINNETKA

COMMUNITY DEVELOPMENT DEPARTMENT

TO: LANDMARK PRESERVATION COMMISSION
FROM: DAVID SCHOON, DIRECTOR
DATE: JUNE 25, 2019
SUBJECT: COMPREHENSIVE PLAN – BRAINSTORMING IDEAS TO INCORPORATE INTO THE PLAN

PREPARATION OF COMPREHENSIVE PLAN

The Village will soon begin the process of preparing and adopting a new Comprehensive Plan for the Village. With the assistance of staff and a consultant, the Plan Commission will lead the efforts preparing a draft Comprehensive Plan for the Village Council's consideration and approval. The Plan would establish a vision for the future of the community and provide a roadmap as to how to achieve that vision over the next 15 to 20 years.

The success of a comprehensive planning process is dependent on community engagement, thus an important part of the process will involve seeking input from residents, property owners, business owners, community organizations as well as from other Village boards and commissions and other local government bodies.

Staff is currently working with the Plan Commission on the preparation of a request for proposals for comprehensive plan consulting services. The goal would be to select a consultant this fall and to begin the process of preparing a plan shortly thereafter.

BRAINSTORMING IDEAS TO INCORPORATE INTO THE COMPREHENSIVE PLAN

In preparing to work with a consultant to draft a comprehensive plan for the Village, the Village President has requested that Village board and commission members start to brainstorm ideas that they would like to see addressed/incorporated in the Comprehensive Plan.

Over the last several months the Landmark Preservation Commission has been preparing ideas to share with the Village Council regarding what actions the Village could take to further encourage the preservation of historic and architecturally significant structures in the community. As the Commission continues those discussions, the Commission may also want to think of other Village policies that may have an impact on the preservation of historic and architecturally significant structures.

As you think about additional ideas of what the Village may want to include in a comprehensive plan from the perspective of preserving historic and architecturally significant structures, it is helpful to outline the components of a Comprehensive Plan. *A comprehensive plan is a **guiding document** that the Village government, residents, employers, developers and other stakeholders use to ensure that Winnetka evolves in line with our **collective vision** for the Village. The plan identifies **goals, objectives and actions** to implement that collective vision.*

A comprehensive plan would include major elements that may stand-alone, be combined, or become incorporated under concepts or themes that run throughout the plan. These elements could include:

- **Land Use** – evaluation of existing land use patterns, as well as guidance on future land use, building, development, parking, and zoning.
- **Natural Resources** – parks and other open space, environmental sustainability and sensitivities, and infrastructure.
- **Transportation** – roads, public transportation (rail and bus), and bicycle, and pedestrian connectivity.
- **Housing and Neighborhoods** – housing trends, preservation, and diversity.
- **Urban Design and Community Character** – architecture, community identity, place-making, and wayfinding.
- **Economic Health & Vitality** – commercial development, fiscal health and impacts.
- **Education and Community Institutions** – Public and private elementary and secondary schools, the Public Library, the Community House, and other local social, educational, and community institutions.
- **Public Services, Facilities, and Infrastructure** – Public safety, public and private utilities (including a Village-owned electric power plant), and wired and wireless communication technologies.
- **Community Involvement and Governance** – improving ways community members can be involved in governance.
- **Subarea Plans** – detailed plans regarding land use, circulation, development alternatives, and plans for the Village’s three business districts as well as the Green Bay Road Corridor.
- **Plan Implementation** – a matrix detailing when and how goals under the various elements will be achieved.

Though Landmark Preservation Commission members may have thoughts regarding all of these areas, the Commission may be most interested in the areas of “Housing and Neighborhoods” and “Urban Design and Community Character”.

Currently the Commission has identified the following ideas to further encourage preservation of historic and architecturally significant structures:

1. Discount permit fees for renovation of historic or architecturally significant homes.
2. Increase time delay for tearing down historic or architecturally significant homes.
3. Publish and highlight landmark properties.
4. Establish thematic districts whereby owners of properties of similar character or significance would form an historic district whether the properties are adjacent to each other or located throughout the Village.
5. Create an historic preservation plan.
6. Educate residents about the opportunity to receive property tax benefits by participating in the State administered Property Tax Assessment Freeze Program.
7. Begin an historic building survey program to document the historic resources within the Village.

At the July 1 LPC meeting, the Commission may wish to brainstorm additional ideas that Commission members would like to have incorporated into a new comprehensive plan.
